OTTERS SWIM TEAM

Orchard View Swim and Dive Team consists of children ages 5 - 18 who enjoy exercise, water, making friends, and competition. Come join our team to develop your swimming skills. Improve your technique while having fun. You will be amazed at how quickly your swimming abilities improve over the summer. You don't need to be an Olympic swimmer or diver to join. All we ask is that you can swim one lap of the pool (any style) safely. We'll teach you the rest! Along with our swim team, Orchard View also has a diving team. Your child may be on both teams. If you don't know how to dive, we will teach you!

The Orchard View Swim Team is family centered with strong parental support and always welcomes new families. Our team offers many social activities such as Friday fun days, pizza parties, and team parties. Practices are held in the mornings from June to the end of July. All team members must be members of Orchard View Swim Club.

If you have any questions about the team, please do not hesitate to contact swim team co-managers Amy Link and Kelley Andreus at: ovswimotters@gmail.com and include OVSC SWIM TEAM in the subject line.

Trial Membership means you are under no obligation. Most families who try Orchard View enjoy the pool so much they become bonded members the next summer. \$485 includes full use of our facilities. Stop by and look around!
